Travel to Hells Canyon Dam Launch site (3hr drive from Minam) with a bathroom break at the Hells Canyon Overlook. Meet your guides, go over basic safety talk, and load into rafts between 10 and 11 am. Lunch will be served riverside. Enjoy awe inspiring geology while you look for wildlife. Make a short hike to the Barton Cabin. Run some of the biggest whitewater of the trip, first up Wild Sheep Rapid and Granite Rapid. Hike to ancient Nez Perce Pictographs. Arrive to camp already set between 3-4pm. Evening camp time: swim, hike, play games, relax! Approximately 6pm: Wine and Hor D’oevres presented by Chef Andrae and the featured Winery. Approximately 7 pm dinner presented by chef Andrae Bopp.

Today’s fun rapids will include Bernard, Waterspout, and Rush Creek. Enjoy a side hike to Eagle’s Nest or a leisurely stop at the Sheep Creek cabin. Arrive at camp between 3 and 4 pm to enjoy another evening riverside. Each evening will be a similar routine to the first.

Day 3:

Repeat morning routine of coffee, breakfast, and camp breakdown. Enjoy the view to Dry Diggins, the highest point you can see from the river and unique geologic formations at Pine Bar and High Bar. More great whitewater arriving at camp between 3 and 4 for another great evening with Andrae Bopp’s insanely good food!

Day 4:

Repeat morning routine of coffee, breakfast, camp breakdown. Today we get to hike to Suicide Point and view Bonneville Flood deposits from a view point, stop at the historic Kirkwood Ranch, see ancient Mt Mazama Ash, run more rapids and enjoy another great day in Hells Canyon. We will arrive to our take-out at Pittsburg Landing shortly after lunch. We will shuttle everyone back to Minam (5 hour drive) or if you had your vehicle shuttled to Pittsburg Landing, you can begin your travels.

Shuttle Logistics:

Transportation from Minam to the put-in and from the take-out to Minam are included in your trip cost. If you would like your car shuttled to the take out at Pittsburg Landing (near Whitebird, ID) you will need to arrange that before the trip begins and cost is \$220 per vehicle. For this option you will follow us to Hells Canyon Dam in your own vehicle, please fill up with fuel the night before. A second shuttle option is to have your vehicle shuttled to Asotin, WA and cost is \$165 per vehicle. Asotin is about a 2 1/2 hour drive from Pittsburg Landing and you would ride in our shuttle van from the take-out to CLarkston. If you are shuttling a vehicle please bring two keys. We will shuttle everyone else back to Minam where your vehicle awaits.
